WEEK 1: LESSON 1

SCHOOL	LEVEL	LEARNING AREA	DATE	TIME	ROLL
	GRADE 9	CRE			

Strand: The Life and Ministry of Jesus Christ

Sub Strand: Nicodemus' Encounter with Jesus Christ

Specific Learning Outcomes:

- By the end of the lesson, the learner should be able to:

1. Read John 3:5-7 from the Bible.

2. Deduce lessons learnt from John 3:5-7 and its relevance in the life of a Christian.

3. Apply the lessons learnt from the biblical text.

Key Inquiry Question(s):

- What lessons do we learn from John 3:5-7 and John 3:16?

Learning Resources:

- Top Scholar CRE pg 76-77

- Good News Bible or RSV

- Lesson notes

- Digital resources (e.g., slides or videos)

Organization of Learning:

Introduction (5 minutes):

- Begin with a quick review of the previous lesson focusing on revelations about Jesus' teachings.

- Ask learners to discuss what they remember about previous encounters of Jesus with other characters in the Bible.

- Introduce the day's topic by asking students what they think will happen in a mysterious nighttime meeting between Nicodemus and Jesus.

Lesson Development (30 minutes):

Step 1: Reading and Understanding

- In pairs, students read John 3:5-7 aloud.

- Encourage them to underline any phrases or words that stand out to them.

- After reading, discuss as a whole class to ensure everyone understands the key verses.

Step 2: Identifying Lessons

- Working in small groups, students brainstorm lessons that can be deduced from John 3:5-7.

- Each group creates a PowerPoint slide or poster illustrating at least two or three lessons they have identified.

- Groups should consider how these lessons might apply to a Christian's life today.

Step 3: Reading and Reflection

- Individually, have students read John 3:16.

- Then, they will take a few minutes to write a reflection journal entry on how they personally apply this verse to their lives or how it might influence their choices.

Step 4: Group Sharing

- Bring everyone back together and have each group present their lessons learned from John 3:5-7.

- Encourage classmates to ask questions or share additional insights.

Conclusion (5 minutes):

- Summarize key points discussed about Nicodemus’ encounter and the significance of being "born again."

- Reinforce the relevance of John 3:16 in their lives, focusing on love and new beginnings.

- Conduct a brief interactive activity (e.g., a thought experiment where students discuss how they might explain the concept of 'being born again' to a friend).

- Preview the next lesson, which will explore the broader implications of Jesus' ministry.

Extended Activities:

- Reflection Project: Have each student create a visual representation (such as a poster or digital slide) of what being 'born again' looks like in their life, including scriptures, personal anecdotes, and artistic elements.

- Role Play: In pairs or groups, students can role-play the conversation between Nicodemus and Jesus, focusing on how they would present their questions and responses based on their understanding of the verses.

- Research Assignment: Ask students to research and present on the role of water in the context of baptism in different Christian denominations, enhancing their understanding of the metaphor in John 3:5.

WEEK 1: LESSON 2

Strand: The Life and Ministry of Jesus Christ

Sub Strand: Jesus' Ministry in Jerusalem

Specific Learning Outcomes:

- By the end of the lesson, learners should be able to:

1. Elaborate on Jesus Christ's triumphant entry into Jerusalem according to Luke 19:28-40.

2. Use digital devices to search for and watch a video clip on Jesus Christ's triumphant entry to Jerusalem.

3. Acknowledge and discuss the significance of Jesus Christ's triumphant entry into Jerusalem.

Key Inquiry Questions:

- What is the meaning of "triumphant"?

- How are leaders welcomed or received in your school or community?

Learning Resources:

- Good News Bible

- Lesson notes

- Pictures

- Top Scholar CRE (pg 79-81)

- Digital resources

- Video clip on Jesus' triumphant entry to Jerusalem

Organisation of Learning:

Introduction (5 minutes):

- Review the previous lesson focusing on Jesus’ teachings and actions.

- Guide learners to read and discuss relevant content on Jesus’ ministry, particularly the context of His entry into Jerusalem, emphasizing key concepts such as "triumphant."

Lesson Development (30 minutes):

Step 1: Group Discussion on Palm Sunday

- In groups or pairs, learners will share what they know about how Palm Sunday is celebrated in their churches, focusing on the meaning behind the celebration.

Step 2: Reading and Noting Key Points

- Each group will take turns reading Luke 19:28-40 aloud. Students should note down key aspects of the passage, including the actions of the crowd, the significance of palm branches, and how Jesus was received.

Step 3: Describing the Event

- Groups will take a few moments to collaborate on a brief description or summary of Jesus Christ's triumphant entry into Jerusalem, focusing on the symbolism and emotional impact of the event.

Step 4: Digital Exploration

- Learners will use digital devices to search for a video clip related to the triumphant entry of Jesus into Jerusalem. After watching, they will discuss the information presented and how it connects to what they learned from the scripture reading.

Conclusion (5 minutes):

- Summarize key points learned about Jesus' triumphant entry into Jerusalem, reinforcing its significance and the students' understanding of the concepts discussed.

- Conduct an interactive activity, such as a quick quiz or thumbs up/thumbs down, to reinforce the main topics and gauge understanding.

- Preview the next session, suggesting questions such as, "What do you think Jesus felt during this moment?" or "How can we demonstrate respect for leaders in our community?"

Extended Activities:

- Creative Project: Learners can create a visual representation (poster, drawing, or digital infographic) of Jesus' triumphant entry into Jerusalem, incorporating key points from their research and the scripture.

- Writing Assignment: Write a reflection on how the themes of leadership and reception connect to modern leaders in their community and what they expect from them.

- Role-Play Activity: Students can enact the scene of Jesus' entry, allowing them to experience the event from different perspectives (e.g., Jesus, the disciples, townspeople).

Strand: The Life and Ministry of Jesus Christ

Sub-Strand: Jesus' Ministry in Jerusalem

Specific Learning Outcomes:

- By the end of the lesson, learners should be able to:

1. State the significance of Jesus Christ's triumphant entry into Jerusalem.

2. Search online or on print media for the importance of Jesus Christ's triumphant entry into Jerusalem.

3. Acknowledge the importance of Jesus' triumphant entry to Jerusalem.

Key Inquiry Question:

- What was the significance of Jesus Christ's triumphant entry to Jerusalem?

Learning Resources:

- Lesson notes

- Digital resources

- Top Scholar CRE pg 81-82

- Songs

Organisation of Learning:

Introduction (5 minutes):

- Review the previous lesson by asking students what they learned about Jesus' ministry.

- Guide learners to read and discuss relevant content from the lesson notes and Top Scholar CRE, focusing on the key concept of Jesus' entry into Jerusalem.

Lesson Development (30 minutes):

Step 1: Brainstorming Session

- Divide students into small groups.

- Ask each group to brainstorm and list reasons why Jesus' triumphant entry into Jerusalem is important. Encourage them to think about its historical and spiritual significance.

Step 2: Research Activity

- In the same groups, learners will use digital or print resources (such as the Top Scholar CRE and online materials) to investigate the significance of Jesus' entry.

- They should find at least two different sources that describe its importance and prepare to share this with the class.

Step 3: Class Discussion

- Bring the class back together and have each group present their findings.

- Facilitate a class discussion, prompting students to add to their notes or consider new perspectives based on what they hear from their peers.

Step 4: Creative Expression

- Read Luke 19:38 aloud to the class.

- Ask students to work in pairs to compose a simple song or poem inspired by the verse.

- If time allows, have some pairs share their creations with the class.

Conclusion (5 minutes):

- Summarize the key points covered in the lesson, highlighting the significance of Jesus' triumphant entry.

- Conduct a brief interactive activity, such as a quick quiz or think-pair-share, to reinforce the main topics discussed.

- Preview upcoming topics, such as Jesus' final week leading to the crucifixion, and prompt learners to consider questions such as, “How did this entry set the stage for the events of the week?”

Extended Activities:

1. Research Assignment:

- Have learners write a brief essay (1-2 pages) on how Jesus’ entry into Jerusalem is depicted in different gospels (Matthew, Mark, Luke, and John).

2. Creative Project:

- Create a visual poster that portrays the significance of the triumphant entry using pictures, quotes, and historical background information.

3. Group Presentation:

- In their groups, select a different event from Jesus' ministry to research. They will prepare a short presentation to deliver to the class next week.

Strand: The Life and Ministry of Jesus Christ

Sub Strand: Jesus' Ministry in Jerusalem

Specific Learning Outcomes:

- By the end of the lesson, the learner should be able to:

1. Identify ways in which the church premise is misused today.

2. Use digital or print resources to search for information regarding the misuse of the church premise.

3. Acknowledge the ways in which the church premise is misused today.

Key Inquiry Question:

- How is the church premise misused today?

Learning Resources:

- Top Scholar CRE pg 82-83

- Lesson notes

- Digital resources (internet access, educational websites)

Organisation of Learning:

Introduction (5 minutes):

- Review the previous lesson by asking students about the key points discussed.

- Guide students to read and discuss relevant content from pages 82-83 of the Top Scholar CRE. Focus on understanding the key concepts around the church's role and its integrity.

Lesson Development (30 minutes):

Step 1: Brainstorming Ideas

- In pairs, learners will brainstorm and write down their thoughts on how the church premise can be misused today. Encourage them to think about different aspects of church life, including teachings, leadership, finances, and community interactions.

Step 2: Research

- Students will use either digital resources (internet) or textbooks to find examples of misuse of the church premise. Each pair should gather at least two examples to share. Ensure students are aware of credible sources.

Step 3: Group Discussion

- Each pair will briefly discuss their findings with another pair, refining their understanding and expanding their examples.

Step 4: Class Presentations

- Select a few pairs to present their findings to the class. Encourage the class to ask questions and engage in a supportive discussion about the different examples of misuse that were discovered.

Conclusion (5 minutes):

- Summarize key points and reiterate the learning objectives achieved during the lesson regarding church misuse.

- Conduct a brief interactive activity where students can raise their hands for any misconceptions about the church that need to be clarified.

- Preview the next session, hinting at upcoming topics such as the role of the church in community service and its impact on society.

Extended Activities:

- Reflection Essay: Students can write a short essay reflecting on a specific misuse of the church they found particularly impactful and how that can be addressed.

- Debate: Organize a class debate on the role of the church in modern society, emphasizing differing perspectives on its use or misuse.

- Community Project: Encourage learners to engage in a community service project through their church, promoting positive use of the church's premise.

Strand: The Life and Ministry of Jesus Christ

Sub Strand: Jesus' Ministry in Jerusalem

Specific Learning Outcomes:

- By the end of the lesson, learners should be able to:

1. Outline the events of Jesus' cleansing of the temple according to Luke 19:45-48.

2. Illustrate Jesus Christ's cleansing of the temple.

3. Appreciate the significance of Jesus Christ's cleansing of the temple.

Key Inquiry Question:

- Why did Jesus cleanse the temple?

Learning Resources:

- Top Scholar CRE pg 83-84

- Lesson notes

- Good News Bible

- Revised Standard Bible

Organization of Learning:

Introduction (5 minutes):

- Begin the lesson by briefly reviewing the previous topic discussed in class to activate prior knowledge.

- Introduce the key inquiry question: "Why did Jesus cleanse the temple?"

- Guide learners to read and discuss relevant sections of the learning resources focusing on the main idea.

Lesson Development (30 minutes):

Step 1: Reading and Understanding

- Divide students into small groups or pairs.

- Assign each group to read Luke 19:45-48.

- Encourage students to highlight or note key phrases that indicate the main events and Jesus' emotions regarding the temple's state.

Step 2: Summarizing Key Events

- In their groups, learners will summarize the key events of the cleansing of the temple, noting important actions taken by Jesus and the reactions of the people present.

- Collectively create a timeline or list of events on a shared resource like a whiteboard or poster paper.

Step 3: Class Discussion

- Each group presents their summaries to the class, fostering a class discussion around the significance of what Jesus did and why it was important. Engage them with questions like:

- "What does Jesus' action teach us about respecting sacred spaces?"

- "How do you think people felt after witnessing this event?"

Step 4: Role Play

- Select a few groups to perform a quick role play of the cleansing of the temple.

- Encourage creativity and expression, illustrating both Jesus and the merchants he confronted.

- Discuss what emotions and thoughts the characters might have experienced during this moment.

Conclusion (5 minutes):

- Summarize the key points learned about the cleansing of the temple, including the sequence of events and its significance to Jesus' ministry.

- Conduct a brief interactive activity, such as a Q&A or a quick quiz using some of the key inquiry questions, to reinforce main topics.

- Prepare learners for the next session by previewing the upcoming topic - the significance of Jesus' teachings in the temple.

Extended Activities:

- Encourage learners to create a visual representation (poster, drawing, or digital presentation) of Jesus cleansing the temple, detailing the scene and suggesting modern-day applications of why we should respect places of worship.

- Organize a discussion panel where students can role-play as different characters from the story and share their perspectives.

Specific Learning Outcomes:

- By the end of the lesson, learners should be able to:

1. Outline lessons learnt from the cleansing of the temple according to Luke 19:45-48.

2. Prepare a PowerPoint presentation showing the lessons learnt from the cleansing of the temple.

3. Appreciate the lessons learnt from the cleansing of the temple.

Key Inquiry Question(s):

- What lessons do you learn from the cleansing of the temple?

Learning Resources:

- Lesson notes
- Good News Bible
- Top Scholar CRE pg 84
- Digital devices (for PowerPoint)
- PowerPoint presentation

Organisation of Learning:

Introduction (5 minutes):

- Review the Previous Lesson: Begin with a quick recap of the previous lesson related to Jesus' ministry.
- Group Reading: Have the learners read Luke 19:45-48 from the Good News Bible. Facilitate a discussion highlighting key concepts and understanding.

Lesson Development (30 minutes):

Step 1: Identification of Lessons

- Group Work: In pairs, students will identify key lessons from the cleansing of the temple. They can refer to the lesson notes and Top Scholar CRE pg 84 for guidance.

Step 2: Discussion

- Class Discussion: Groups will share their identified lessons with the class. Engage the whole class in a discussion about these points, ensuring they understand the significance of each lesson.

Step 3: Summarization

- Summarize Key Points: Each group will summarize their findings in their notebooks and prepare a short outline for their PowerPoint presentation.

Step 4: PowerPoint Preparation

- Creating Presentations: Using digital devices, learners will begin preparing a PowerPoint presentation based on the lessons they discussed and summarized. Each group will focus on 2-3 key lessons to present.

Conclusion (5 minutes):

- Summarize Learning Outcomes: Recap the key lessons and concepts discussed in class.

- Interactive Activity: Conduct a brief quiz or interactive discussion based on the lessons learnt, asking students to provide real-life applications.

- Preview of Next Session: Inform learners about what topics will be explored in the next lesson, encouraging them to think about other events in Jesus' ministry.

Extended Activities:

- Research Assignment: Ask students to research another incident from Jesus' ministry and present how it relates to values learned from the cleansing of the temple.

- Reflection Journal: Encourage learners to write a reflection in their journals about how the lessons from the cleansing of the temple can be applied in their everyday lives.

Strand: The Life and Ministry of Jesus Christ

Sub Strand: Jesus' Ministry in Jerusalem

Specific Learning Outcomes:

- By the end of the lesson, learners should be able to:

1. Identify the issues that led to conflicts between Jesus and the Jewish leaders according to Luke 20:1-8 and 20-39.

2. Describe Jesus Christ's conflict with the Jewish leaders.

3. Acknowledge the conflicts Jesus had with the Jewish leaders.

Key Inquiry Question:

- Why was Jesus opposed by the Jewish leaders?

Learning Resources:

- Good News Bible
- Lesson notes
- Top Scholar CRE pg 86-87

Organisation of Learning:

Introduction (5 minutes):

- Review the previous lesson's key points regarding Jesus' early ministry.
- Guide learners through a brief reading from the Good News Bible, focusing on Luke 20:1-8 and 20-39, highlighting the context of Jesus' interactions in Jerusalem.

Lesson Development (30 minutes):

Step 1: Read and Reflect

- In pairs, learners read Luke 20:1-8 and 20-39 aloud. Encourage them to take notes on any questions or conflicts they notice during their reading.

Step 2: Identify Conflicts

- Together in pairs, learners identify the main issues that led to conflicts. Provide a guiding worksheet with prompts (e.g., What questions did the Jewish leaders ask Jesus? How did Jesus respond?). They should write down their findings in their exercise books.

Step 3: Analyze the Conflicts

- As a class, discuss the findings from each pair. Focus on:

- Key questions posed by the Jewish leaders.

- Jesus' responses that may have aggravated tensions.

- The implications of their interactions.

Step 4: Summarize and Share

- Each pair shares one significant conflict they identified and their thoughts on its meaning. Encourage other students to respond or ask questions.

Conclusion (5 minutes):

- Summarize key points regarding the reasons for the opposition faced by Jesus from the Jewish leaders.

- Conduct a brief interactive activity where learners must match key terms (e.g., "Authority," "Challenge," "Parable") with their definitions or examples from the lesson.

- Prepare learners for the next session by previewing the upcoming discussions about Jesus' teachings and parables.

Extended Activities:

- Debate: Organize a class debate on the statement: "The Jewish leaders were justified in opposing Jesus." This will encourage critical thinking and deeper understanding of the context.

- Research Project: Assign learners to research one conflict between Jesus and the Jewish leaders in more detail and present their findings in the next class.

2. Prepare a PowerPoint presentation on the lessons learnt from the conflict.

3. Acknowledge the lessons learnt from the conflict between Jesus and the Jewish leaders.

Key Inquiry Question(s):

- What lessons do you learn from the conflicts between Jesus and the Jewish leaders?

Learning Resources:

- Lesson notes.

- Top Scholar CRE, pages 86-88.

- Digital resources (laptops, tablets, or classroom computers).

Organisation of Learning:

Introduction (5 minutes):

- Review the previous lesson by asking questions about key figures in Jesus' ministry.

- Guide learners to read and discuss relevant content from the learning resources, focusing on the conflicts between Jesus and Jewish leaders, highlighting key concepts such as authority, interpretation of the law, and forgiveness.

Lesson Development (30 minutes):

Step 1: Group Brainstorming

- In small groups, ask learners to brainstorm the conflicts that arose between Jesus and the Jewish leaders.

- Encourage each group to write down their thoughts on a shared document or whiteboard.

Step 2: Discussion

- Each group will discuss their brainstormed ideas and identify specific lessons learnt from these conflicts.

- Guide them to consider how these lessons apply to their own lives and contemporary issues.

Step 3: PowerPoint Preparation

- Students will use digital devices to create a PowerPoint presentation that summarizes the conflicts and the lessons learnt.

- Each group should allocate roles (e.g., researcher, designer, presenter) for efficient collaboration.

Step 4: Presentation Sharing

- Each group will present their PowerPoint to the class, sharing their insights and acknowledging the lessons learnt.

- Encourage questions and feedback from peers after each presentation.

Conclusion (5 minutes):

- Summarize the key points and learning objectives achieved during the lesson.

- Conduct a brief interactive activity, such as a "lesson match" game where students match scenarios to the lessons they discussed.

- Prepare learners for the next session by previewing upcoming topics such as Jesus' parables and their lessons.

Extended Activities:

- Assign learners to write a reflective essay on the relevance of the lessons learnt from the conflict between Jesus and Jewish leaders to their daily lives.

- Encourage learners to create a video or blog post where they share how the teachings of Jesus influence their understanding of conflict resolution today.

2. Illustrate the different methods of conflict resolution in various contexts.

3. Develop a desire to avoid conflicts in their environment.

Key Inquiry Question(s):

- What are the conflicts at home, school, or in the community?

- Which methods do we use to resolve conflicts?

Learning Resources:

- Top Scholar CRE pg 85-86

- Lesson notes

- Digital resources (videos, articles, etc.)

Organisation of Learning:

Introduction (5 minutes):

- Review the previous lesson, focusing on Jesus' teachings about conflict and resolution.

- Guide learners to read and discuss relevant sections from the learning resources, ensuring they understand key concepts related to conflict and resolution.

Lesson Development (30 minutes):

Step 1: Sharing Personal Experiences

- In pairs, learners share personal experiences related to conflicts they have faced at home, school, or in the community.

- They will discuss how they resolved these conflicts.

- Teacher encourages sharing and fosters a safe environment where students feel comfortable discussing sensitive topics.

Step 2: Identifying Causes of Conflicts

- Groups brainstorm and list causes of conflicts in various settings (home, school, community).

- Each group presents their findings to the class, and the teacher facilitates a discussion to highlight common themes and issues.

Step 3: Examining Conflict Resolution Strategies

- As a class, discuss and compile a list of different methods for resolving conflicts (e.g., communication, mediation, compromise, seeking help).

- Teacher will reference the textbook for additional strategies if needed.

Step 4: Role-Playing Conflict Resolution

- In groups, learners create short role plays to illustrate effective conflict resolution strategies discussed earlier.

- Each group performs their role play, demonstrating their conflict resolution method in action.

Conclusion (5 minutes):

- Summarize key points and learning objectives achieved during the lesson.

- Conduct a brief interactive activity, such as a quick quiz or a discussion question, to reinforce the main topics learned.

- Preview upcoming topics, encouraging learners to think about conflicts in their environments and ways they can respond positively.

Extended Activities:

- Reflection Journal: Encourage students to maintain a journal for one week where they can reflect on conflicts they encounter and how they resolve them.

- Community Project: Plan a community service activity that involves conflict resolution, such as a workshop or a discussion forum, inviting community members to participate.

- Research Assignment: Learners can choose a historical conflict resolution case study (either local or international) and present on the strategies used and outcomes.

2. Use digital or print resources to search for information on the significance of the Lord's Supper to Christians today.

3. Appreciate the different ways in which the Lord's Supper is celebrated in modern churches.

Key Inquiry Question:

- What is the significance of the Lord's Supper to Christians?

Learning Resources:

- Top Scholar CRE, pg 91-94

- Lesson notes

- Flashcards

Organisation of Learning:

Introduction (5 minutes):

- Review the previous lesson on the ministry of Jesus.

- Guide learners to read and discuss relevant content from the learning resources, emphasizing understanding concepts such as communion, Eucharist, and Last Supper.

Lesson Development (30 minutes):

Step 1: Explain the Meaning of the Lord's Supper

- In pairs, learners will discuss and define the Lord's Supper, drawing from the provided resources.

- Facilitator will circulate to prompt questions like: "What does the term 'Lord's Supper' mean?"

Step 2: Identifying Alternative Names

- Learners will create a list of different names that refer to the Lord's Supper (e.g., Communion, Eucharist, Breaking of Bread) using flashcards or group discussion.

- Share findings with the class.

Step 3: Sharing Personal Experiences

- In small groups, learners will share experiences from their own churches regarding how they celebrate the Lord's Supper.

- Each group will then discuss similarities and differences that emerge from their experiences.

Step 4: Researching Significance

- Using digital devices or print resources, learners will search for information on the significance of the Lord's Supper for Christians today.

- They will note down key points to share with the class afterward.

Conclusion (5 minutes):

- Summarize the key points discussed during the lesson, highlighting the different names and significances of the Lord's Supper.

- Interactive Activity: Have learners volunteer to share one new insight they learned regarding the Lord's Supper, creating a connection to the inquiry question.

- Preview the upcoming session on the implications of the resurrection in Christian faith.

Extended Activities:

Organisation of Learning:

Introduction (5 minutes):

- Review the previous lesson on the ministry and teachings of Jesus. Ask students to share any key points they remember.

- Introduce the topic for today, emphasizing the importance of the Lord's Supper in understanding Jesus' sacrifice.

Lesson Development (30 minutes):

Step 1: Reading

- Divide students into pairs or small groups.

- Each group takes turns reading Luke 22:7-20 aloud, ensuring every student has a chance to participate.

- Encourage students to pay close attention to the events and actions described.

Step 2: Outlining Events

- Ask groups to outline the key events that took place during the Lord's Supper.

- Provide guiding questions to help them focus: What did Jesus do with the bread and wine? What were his words?

- Each group writes a brief summary of their outline on the board.

Step 3: Discussion

- Facilitate a class discussion on the outlines presented, prompting students to add or clarify details.

- Encourage students to express their thoughts on why these events are significant in the context of Jesus' life.

Step 4: Video Clip

- Present a video clip related to the Lord's Supper, showing its significance visually.

- After the clip, ask students to reflect on how the video connects to what they learned from the Bible passage.

Conclusion (5 minutes):

- Summarize key points from the lesson, highlighting the events of the Lord's Supper and its significance.

- Conduct a quick interactive activity, such as a "think-pair-share," asking students to discuss with a partner why the Lord's Supper matters to them personally.

- Preview the next session's topic, which will delve into the significance of Jesus' resurrection.

Extended Activities:

- Creative Writing: Have students write a short reflection or journal entry from the perspective of one of the disciples during the Lord's Supper.

- Art Project: Students can create a visual representation (posters, drawings, etc.) illustrating their understanding of the Lord's Supper.

Organisation of Learning:

Introduction (5 minutes):

- Briefly review the previous lesson, focusing on any events leading up to the Mount of Olives.

- Engage learners in a discussion about their prior knowledge of Jesus' life, encouraging them to share thoughts on what happens at significant locations like Mount of Olives.

Lesson Development (30 minutes):

Step 1: Read Luke 22:39-53

- In pairs, learners take turns reading Luke 22:39-53 aloud.

- Encourage them to pay attention to key events, feelings, and actions.

Step 2: Outline and Discuss Events

- After reading, learners outline the main events that take place at the Mount of Olives.

- Each pair discusses their findings, highlighting moments like Jesus' prayer, the betrayal by Judas, and the arrest.

- Teacher circulates to assist with clarifying points and provoke deeper discussions.

Step 3: Summarize Points

- Learners write a summary of their outlined discussions in their notebooks.

- Encourage them to reflect on Jesus’ emotional state and significance of the events in their summaries.

Step 4: Watch a Video

- Use digital devices to access a video summarizing the events at the Mount of Olives.

- Ask learners to pay attention to additional context or interpretations presented in the video.

Conclusion (5 minutes):

- Summarize the key points discussed and the learning objectives achieved during the lesson.

- Conduct a brief interactive activity (e.g., a quick quiz or a group reflection) to reinforce the main topics covered.

- Provide a preview of the next session, possibly introducing the upcoming themes of Jesus' trial or crucifixion.

Extended Activities:

- Research Project: Learners can choose one significant event related to Mount of Olives, conduct further research using available resources, and create a presentation summarizing their findings.

- Reflection Journal: Ask learners to write a diary entry from the perspective of a disciple witnessing the events at the Mount of Olives, reflecting on their emotions and thoughts.

WEEK 4: LESSON 1

SCHOOL	LEVEL	LEARNING AREA	DATE	TIME	ROLL
	GRADE 9	CRE			

Strand: The Life and Ministry of Jesus Christ

Sub Strand: Jesus' Passion, Death, and Resurrection

Specific Learning Outcomes:

- By the end of the lesson, students should be able to:

1. Identify ways in which close friends and relatives betray us.
2. Discuss the lessons learned from betrayal by close friends or relatives.
3. Acknowledge the different acts of betrayal by close people, friends, or relatives.

Key Inquiry Question:

- Why do people betray their friends or people close to them?

Learning Resources:

- Top Scholar CRE pg 96-97
- Lesson notes
- Posters/Flashcards

Organisation of Learning:

Introduction (5 minutes):

- Review the previous lesson focused on relationships and trust.

- Guide learners to read and discuss relevant content from the learning resources (pg 96-97), emphasizing betrayal in close relationships.

Lesson Development (30 minutes):

Step 1: Define Betrayal

- Ask students to brainstorm what the term "betrayal" means in their own words.

- Share a definition that encapsulates the concept of betrayal (e.g., "Betrayal is the act of being disloyal or unfaithful to someone who trusts you").

- Discuss the emotional impact of betrayal on individuals.

Step 2: Personal Reflection

- In pairs, students reflect on a time they felt betrayed by a friend or relative.

- Encourage them to discuss how that experience made them feel.

- Volunteers can share their experiences with the class, fostering a supportive atmosphere.

Step 3: Lessons Learned

- As a group, students discuss what lessons can be learned from betrayal.

- Prompt them with questions: "What can betrayal teach us about trust?", "How can we rebuild trust after betrayal?"

- Record responses on the board to visualize the lessons shared.

Step 4: Acts of Betrayal

- In small groups, students list various acts of betrayal (e.g., gossiping, lying, ignoring someone in need).

- Groups share their lists with the class, and as a full class, categorize these acts by severity and impact on relationships.

- Emphasize understanding the motivations behind such actions.

Conclusion (5 minutes):

- Summarize key points discussed during the lesson: definition of betrayal, personal experiences, lessons learned, and acts of betrayal.

- Conduct a brief interactive activity: students can pass around a ball; whoever catches it shares one thing they learned about betrayal today.

- Provide a preview of the next lesson, focusing on forgiveness and reconciliation.

Extended Activities:

- Journaling Assignment: Ask students to write a reflective journal entry on a time they faced betrayal and how they overcame it.

- Role-Play: Organize a role-play activity where students can act out scenarios of betrayal and possible resolutions.

- Research Project: Students can research a famous betrayal (historical, literary, or personal) and present the background, impact, and lessons learned.

WEEK 4: LESSON 2

SCHOOL	LEVEL	LEARNING AREA	DATE	TIME	ROLL
	GRADE 9	CRE			

Strand: The Life and Ministry of Jesus Christ

Sub Strand: Jesus' Passion, Death and Resurrection

Specific Learning Outcomes:

- By the end of the lesson, learners should be able to:

1. Describe how Peter denied Jesus Christ according to Luke 22:54-62.

2. Dramatize Peter's denial of Jesus Christ.

3. Acknowledge reasons that led to Peter's denial of Jesus Christ.

Key Inquiry Question:

- Why did Peter deny Jesus Christ?

Learning Resources:

- Top Scholar CRE pg 97-98

- Lesson notes

- Good News Bible

Organisation of Learning:

Introduction (5 minutes):

- Begin the class by reviewing the previous lesson related to the events leading to Jesus' crucifixion.

- Prompt students to anticipate the day’s lesson by asking them to share what they already know about Peter and his relationship with Jesus.

- Guide learners to read and discuss relevant content from pages 97-98 in Top Scholar CRE, focusing on the context before Peter's denial.

Lesson Development (30 minutes):

Step 1: Reading and Understanding

- In pairs, learners take turns reading Luke 22:54-62 aloud.

- After reading, students briefly discuss what happened in the passage, ensuring they understand the sequence of events and emotions involved.

Step 2: Group Discussion

- In small groups, ask students to discuss how Peter’s denial unfolded and what emotions he might have felt during this time.

- Each group should outline at least three lessons they believe can be learned from Peter’s denial (e.g., fear, peer pressure, the need for courage).

Step 3: Brainstorming Reasons

- Together with the class, facilitate a brainstorming session on potential reasons that led to Peter denying Jesus. Encourage learners to think critically and consider psychological and social factors that could have influenced his actions.

Step 4: Role Playing

- Groups collaborate to create a short role-play depicting Peter's denial. Each group will present its interpretation, focusing on how Peter felt and the circumstances around his denial.

Conclusion (5 minutes):

- Summarize the key points from the lesson, reflecting on Peter's denial, the emotional and situational factors involved, and the lessons learned.

- Conduct a quick interactive activity, such as a think-pair-share, where students share one thing they learned and one question they still have.

- Prepare learners for the next session by introducing the upcoming topics or questions, such as discussing the significance of forgiveness in relation to Peter's story.

Extended Activities:

- Reflective Writing: Ask students to write a short essay reflecting on a time they faced pressure to deny something they believed in and how they handled that situation.

- Artistic Expression: Encourage students to create a visual representation (drawing, collage, etc.) of Peter’s denial and its consequences, allowing them to express their understanding creatively.

- Debate: Organize a debate on the topic: "Was Peter justified in denying Jesus?". This could deepen their understanding of moral dilemmas and the human experience during challenging situations.

WEEK 4: LESSON 3

SCHOOL	LEVEL	LEARNING AREA	DATE	TIME	ROLL
	GRADE 9	CRE			

Strand: The Life and Ministry of Jesus Christ

Sub Strand: Jesus' Passion, Death, and Resurrection

Specific Learning Outcomes:

- By the end of the lesson, learners should be able to:

1. Outline the events that took place between the arrest and burial of Jesus Christ according to Luke 22:63-71 & 23:1-56.

2. Summarize the events that occurred during this period.

3. Acknowledge the significance of these events.

Key Inquiry Question:

- What happened between the arrest and burial of Jesus Christ?

Learning Resources:

- Top Scholar CRE pg 99-101

- Good News Bible

- Digital resources (video clips)

Organisation of Learning:

Introduction (5 minutes):

- Review the previous lesson: Briefly discuss the significance of Jesus' ministry.

- Introduce today’s topic: Highlight the importance of understanding the events leading up to Jesus' death.

- Guide learners to skim through the learning resources, focusing on identifying key events.

Lesson Development (30 minutes):

Step 1: Reading Aloud

- In pairs, learners will take turns reading Luke 22:63-71 and Luke 23:1-56. Encourage them to take notes on key events.

Step 2: Identifying Events

- After reading, each pair will create a timeline of the events they identified. They should include the arrest, trial, and burial in their timeline, noting significant actions and reactions.

Step 3: Group Discussion

- Pairs will join another pair to compare timelines and discuss any differing interpretations. Each group should share at least one unique event they noted.

Step 4: Video Viewing

- Conclude with a video clip summarizing the events between the arrest and burial. After viewing, prompt students to reflect on any new insights they gained.

Conclusion (5 minutes):

- Summarize the key points discussed during the lesson:

- Timeline of events (arrest, trial, crucifixion, and burial).

- The significance of understanding these events for Christian faith.

- Conduct a brief interactive activity, such as a quick quiz or a think-pair-share, reinforcing the main events discussed.

- Preview the next session: Highlight topics related to the resurrection and its implications in Christian belief.

Extended Activities:

- Creative Recap: Ask learners to create a comic strip depicting the events between arrest and burial, focusing on visual storytelling.

- Reflection Journal: Encourage students to write a short journal entry about how these events impact their understanding of Jesus' life and ministry.

Strand: The Life and Ministry of Jesus Christ

Sub Strand: Jesus' Passion, Death, and Resurrection

Specific Learning Outcomes:

- By the end of the lesson, learners should be able to:

1. Explain the resurrection of Jesus Christ according to Luke 24:1-7.

2. Use digital or print resources to find the importance of Jesus Christ's resurrection to Christians today.

3. Acknowledge the importance of Jesus Christ's resurrection to Christians' lives.

Key Inquiry Question(s):

- Why is the resurrection of Jesus Christ important to Christians today?

Learning Resources:

- Top Scholar CRE pg 101-102

- Good News Bible

- Digital resources

- Lesson notes

Organisation of Learning:

Introduction (5 minutes):

- Review the previous lesson on the events leading up to the resurrection of Jesus Christ.

- Guide learners to read and discuss relevant content from their resources, focusing on their understanding of the resurrection's key concepts.

Lesson Development (30 minutes):

Step 1: Reading Luke 24:1-7

- Divide learners into pairs. Each student will take turns reading Luke 24:1-7 aloud.

- Encourage them to highlight aspects of the passage that describe the resurrection.

Step 2: Discussion on the Resurrection

- Ask each pair to discuss their notes on the reading. What do they think the key messages are regarding the resurrection?

- After discussion, select a few pairs to share their insights with the class to foster a broader understanding.

Step 3: Importance Brainstorming

- In small groups, have learners brainstorm the significance of the resurrection to Christians today.

- Prompt them with questions like: How does the resurrection impact Christian beliefs? What does it mean for forgiveness and eternal life?

Step 4: Research and Present

- Using digital or print resources, each group finds additional information that underscores the significance of Jesus Christ's resurrection in contemporary Christian life.

- Groups will prepare a brief presentation to share their findings with the class.

Conclusion (5 minutes):

- Summarize the key points discussed during the lesson: the resurrection's biblical account, its significance, and how it shapes Christian faith today.

- Conduct a brief interactive activity (e.g., a reflection or quick quiz) to reinforce the main topics.

- Prepare learners for the next session by previewing upcoming topics or posing thought-provoking questions to consider, such as: "In what ways can the message of the resurrection affect how we live our daily lives?"

Extended Activities:

- Research Project: Have students create a poster or digital presentation on how different Christian denominations celebrate Easter, focusing on the resurrection's significance in each tradition.

- Reflection Essay: Ask students to write a short essay on how the concept of resurrection can influence personal beliefs and behaviors, encouraging them to connect it to their own lives.

WEEK 5: LESSON 1

Strand: The Life and Ministry of Jesus Christ

Sub Strand: Jesus' Passion, Death, and Resurrection

Specific Learning Outcomes:

- By the end of the lesson, learners should be able to:

1. Define the term "ascension."

2. Describe Jesus Christ's ascension to heaven according to Luke 24:50-51, Mark 16:19, and Acts 1:10-11.

3. Acknowledge Jesus Christ’s ascension to heaven.

Key Inquiry Questions:

- What is ascension?

- How did Jesus Christ's ascension to heaven happen?

Learning Resources:

- Good News Bible (Luke, Mark, Acts)

- Top Scholar CRE (pages 102-103)

- Dictionary

- Lesson notes

Organisation of Learning:

Introduction (5 minutes):

- Review the previous lesson on Jesus' Passion and Death. Ask students to share key points learned.

- Introduce the concept of "ascension" and its significance in the Christian faith.

Lesson Development (30 minutes):

Step 1: Define "Ascension"

- In pairs, learners will use dictionaries or online resources to find and write down the definition of the term "ascension."

- Prompt groups to share their definitions with the class. Facilitate discussion on the meaning and relevance of ascension in Christianity.

Step 2: Read Biblical Accounts

- Assign each pair or small group one of the following passages to read in turns:

- Luke 24:50-51

- Mark 16:19

- Acts 1:10-11

- After reading, groups will summarize their assigned passage, focusing on the details surrounding Jesus' ascension.

Step 3: Group Discussion

- Regroup to discuss findings. Each pair will explain their assigned passage to the class, highlighting key aspects of how Jesus ascended to heaven.

- Encourage students to ask questions for clarification.

Step 4: Reflect and Summarize

- Provide learners with a few minutes to write down their understanding of Jesus' ascension based on the biblical texts discussed.

- Have volunteers share their reflections with the class to reinforce learning.

Conclusion (5 minutes):

- Summarize the key points learned about Jesus' ascension, including the definitions and biblical details discussed.

- Engage students in a brief interactive activity: ask them to create a simple drawing or diagram illustrating the ascension event based on their readings.

- Preview the next session's topic on the significance of the ascension in Christian belief, encouraging learners to think about questions they might have.

Extended Activities:

- Creative Writing Assignment: Have students write a short story or reflection from the perspective of one of the disciples witnessing Jesus' ascension.

- Research Project: Encourage learners to research the history and significance of ascension in various Christian denominations and present their findings in the next class.

Strand: The Life and Ministry of Jesus Christ

Sub Strand: Jesus' Passion, Death and Resurrection

Specific Learning Outcomes:

- By the end of the lesson, the learner should be able to:

1. Explain the term "second coming of Christ."

2. Write John 14:1-3 on flashcards.

3. Recognize the second coming of Jesus Christ.

Key Inquiry Question(s):

- What does the second coming of Christ mean?

Learning Resources:

- Top Scholar CRE, pg 103

- Good News Bible

- Lesson notes

- Flashcards

Organisation of Learning:

Introduction (5 minutes):

- Begin the class with a quick review of the previous lesson on Jesus' life and ministry.

- Ask students to recall and share what they remember about Jesus' teachings regarding the future and importance of hope in the Christian faith.

- Explain that the focus today will be on understanding the second coming of Christ.

Lesson Development (30 minutes):

Step 1: Group Discussion

- Divide students into small groups or pairs.

- Instruct them to search through their textbooks and/or the internet for the meaning of the "second coming of Christ."

- Each group should discuss their findings and prepare to share a brief summary with the class.

Step 2: Reading and Reflection

- Provide each group with a copy of John 14:1-3.

- Have students take turns reading the passage aloud within their groups.

- After reading, prompt students to discuss and identify the lessons learned from these verses related to hope and assurance in the context of the second coming.

Step 3: Flashcard Creation

- Instruct students to re-read John 14:1-3 silently and then write the verse on flashcards.

- Encourage creativity in making the flashcards visually appealing and informative (e.g., adding drawings or key terms).

- Ask each group to display their flashcards in class to share with peers.

Step 4: Presentation and Class Discussion

- Allow each group to present their findings on the meaning of the second coming of Christ and read their flashcards.

- Facilitate a class discussion to deepen the understanding and clarify any misunderstandings regarding the second coming.

Conclusion (5 minutes):

- Summarize the key points discussed during the class, emphasizing the significance of the second coming of Christ in Christian belief.

- Conduct a brief interactive activity, such as a game of "true or false" related to the concepts learned, to reinforce the main topics.

- Preview upcoming topics and offer a couple of questions for students to ponder before the next session, such as: “How does the promise of the second coming offer hope in difficult times?”

Extended Activities:

- Research Project: Encourage students to choose a related topic (e.g., meaning of hope in different religions) and prepare a short presentation to share with the class.

- Creative Writing: Ask students to write a short story or a poem reflecting on how they imagine the second coming of Christ, drawing from their understanding of scriptures and discussions.

Strand: The Life and Ministry of Jesus Christ

Sub Strand: Jesus' Passion, Death and Resurrection: Assessment

Specific Learning Outcomes:

- By the end of the lesson, the learner should be able to:

1.Attempt assessment questions on the sub-strand.

Key Inquiry Question(s):

- What were the key events in Jesus' Passion, Death, and Resurrection, and why are they significant?

Learning Resources:

- Top Scholar CRE pg 105-106

- Assessment books

Organisation of Learning:

Introduction (5 minutes):

- Begin with a brief review of the previous lesson, highlighting the key events in Jesus' life.

- Encourage learners to share anything they remember about Jesus' Passion, Death, and Resurrection.

- Guide learners to read pages 105-106 from the Top Scholar CRE, discussing the significance of these events.

Lesson Development (30 minutes):

Step 1: Understanding Key Terms

- Define and discuss key terms related to Jesus' Passion (e.g., betrayal, crucifixion), Death (e.g., sacrifice, atonement), and Resurrection (e.g., hope, salvation).

- Pair discussion: In pairs, learners discuss how these concepts connect to their understanding of Jesus’ life and teachings.

Step 2: Group Analysis of Scriptures

- Divide learners into small groups and assign each a specific Bible passage reflecting Jesus' Passion, Death, or Resurrection (e.g., Mark 14:32-36, Luke 23:33-34, Matthew 28:5-7).

- Each group reads their passage and summarizes its main message, focusing on the significance of these events.

Step 3: Assessment Questions

- Provide learners with assessment questions related to the sub-strand.

- As a class, read and discuss the questions to clarify any doubts. Encourage them to think critically about their answers.

Step 4: Individual Reflection and Answering

- Allow learners time to answer the assessment questions individually.

- Encourage them to use their notes and the resources provided as references.

Conclusion (5 minutes):

- Summarize the key points learned during the lesson, focusing on the importance of Jesus’ Passion, Death, and Resurrection.

- Conduct a brief interactive activity, like a quick quiz or a game where they can match definitions to terms learned.

- Preview the next session by introducing upcoming topics or questions, such as "How do these events influence Christian life today?"

Extended Activities:

- Journaling: Have students write a reflection on what Jesus' Passion and Resurrection mean to them personally.

- Creative Project: Invite students to create a visual presentation, such as a poster or a digital slide show, that tells the story of Jesus' Passion, Death, and Resurrection.

- Role-Playing: Organize a role-play activity where students can act out scenes from the Passion narrative to encourage deeper engagement with the material.

Strand: The Church

Sub Strand: The Early Church

Specific Learning Outcomes:

- By the end of the lesson, learners should be able to:

1. Identify the characteristics of the Early Church according to Acts 2:41-47.

2. Prepare flashcards showing the characteristics of the Early Church.

3. Acknowledge the importance of the characteristics of the Early Church.

Key Inquiry Questions:

- What were the characteristics of the Early Church?

- Why is it important to learn about the Early Church?

Learning Resources:

- Top Scholar CRE pg 107-108

- Good News Bible

- Lesson notes

- Flashcards

- Charts

- Scissors

Organisation of Learning:

Introduction (5 minutes):

- Begin with a brief review of the previous lesson, asking students to share what they remember.

- Introduce the topic of the Early Church, guiding learners to read and discuss content from the learning resources, with a focus on understanding key concepts.

Lesson Development (30 minutes):

Step 1: Brainstorming Session

- In pairs or small groups, students brainstorm and list different activities performed in their local church.

- Encourage them to think outside the box and include both traditional and modern activities.

Step 2: Reading and Discussion

- Read Acts 2:41-47 aloud, with each student taking turns reading a verse.

- After reading, discuss the verses as a class. What actions and attitudes are described?

Step 3: Identifying Characteristics

- In their groups, students will identify key characteristics of the Early Church based on the scripture read.

- They will compile their lists and discuss why these characteristics were significant.

Step 4: Creating Flashcards

- Using the characteristics identified, each group will create flashcards that showcase these traits.

- Once completed, groups can display their flashcards around the classroom for everyone to see.

Conclusion (5 minutes):

- Summarize the key points discussed and the learning objectives achieved during the lesson.

- Conduct a brief interactive activity where students can share one characteristic of the Early Church they find most meaningful and why.

- Preview the next session, encouraging learners to think about the role of the Church today and how it reflects the characteristics of the Early Church.

Extended Activities:

- Research Project: Students can choose one characteristic of the Early Church to research further and present how it is reflected in their church today.

- Creative Expression: Learners can create a poster or digital presentation illustrating how these characteristics are applied in contemporary church life.

- Reflection Journal: Encourage students to keep a journal where they reflect on their own church experiences in relation to the Early Church characteristics discussed in class.

1. Outline ways in which the church today demonstrates the characteristics of the Early Church.

2. Visit different churches and interview the priest/pastor or church leader on how the church today exhibits characteristics of the Early Church.

3. Acknowledge the ways in which the modern church demonstrates the characteristics of the Early Church.

Key Inquiry Question(s):

- How does the church today demonstrate characteristics of the Early Church?

Learning Resources:

- Top Scholar CRE, pg 108

- Digital resources

- Access to different churches for interviews

- Resource Persons: Pastor, Priest, or Church Leader

Organisation of Learning:

Introduction (5 minutes):

- Review the previous lesson, highlighting the foundational aspects of the Early Church.

- Guide learners to read and discuss relevant content (pg 108) to ensure understanding of the key concepts.

Lesson Development (30 minutes):

Step 1: Setting the Context

- Briefly discuss the characteristics of the Early Church (e.g., community living, sharing resources, emphasize teaching, breaking of bread, prayer).

- Ask students to share what they know about their local churches.

Step 2: Planning the Visits

- Organize the class into small groups, assigning each group a nearby church to visit.

- Discuss the objectives of the visit and formulate questions to ask the church leaders about how their churches embody the Early Church characteristics.

Step 3: Conducting Interviews

- Groups visit their assigned churches.

- Students interview the priest/pastor/church leader using the crafted questions, documenting responses about the practices that reflect those of the Early Church.

Step 4: Reporting and Presentation

- Groups prepare a short report based on their findings.

- Each group presents their findings to the class, focusing on similarities and differences observed and how those relate to the characteristics of the Early Church.

Conclusion (5 minutes):

- Summarize the key points discussed and reflect on the learning objectives achieved regarding the characteristics of the Early Church.

- Conduct a brief interactive activity (e.g., a “think-pair-share”) where students pair up to discuss one new thing they learned during the lesson.

- Preview the next lesson topic, encouraging learners to think about the church's evolution over time.

Extended Activities:

- Journal Reflection: Ask students to write a reflection in their journals on the importance of community in the church and how they feel it applies in today’s context.

- Project: Have students create a visual representation (poster, digital slideshow, or video) comparing and contrasting the Early Church with their own church experiences.

2. Describe the miracles performed in the Early Church.

3. Appreciate the miracles performed in the Early Church.

Key Inquiry Question:

- Which miracles were performed in the Early Church?

Learning Resources:

- Top Scholar CRE pg 109-110

- Lesson notes

- Good News Bible

Organisation of Learning:

Introduction (5 minutes):

- Begin with a brief review of the previous lesson on the role of the Early Church.

- Ask questions to assess background knowledge and engage the class.

- Guide learners to read relevant content from Top Scholar CRE, focusing on the miracles discussed in Acts.

Lesson Development (30 minutes):

Step 1: Reading

- Each group or pair will take turns reading Acts 2:43, 3:1-16, and 5:12-16. Ensure every student participates in reading.

Step 2: Identifying Miracles

- Learners will work together to identify the miracles described in the selected passages. Provide guiding questions such as:

- What miracle occurred in Acts 2:43?

- Who was involved in the miracles described in Acts 3:1-16?

Step 3: Describing the Miracles

- Groups will discuss and describe each miracle briefly. Have them consider the implications of these miracles and how they demonstrated faith.

Step 4: Presentation

- Each group will summarize their findings in their exercise books and then present their insights to the class. Encourage questions and discussion following each presentation.

Conclusion (5 minutes):

- Summarize the key points from the lesson focusing on the identified miracles and their significance.

- Conduct a brief interactive activity such as a "Think-Pair-Share" where learners share one miracle they found most inspiring and why.

- Preview the next session's topic, suggesting they think about the role of miracles today in their lives.

Extended Activities:

- Reflection Write-Up: Ask learners to write a short reflection on how they see miracles in their own lives or communities today, connecting it to the lesson.

- Creative Project: Learners can create a collage or a poster illustrating one of the miracles discussed and present it in the next class.

1. Outline the lessons learnt from the miracles performed in the Early Church.

2. Use digital devices to search for and watch video clips on the miracles performed in the Early Church.

3. Embrace the lessons learnt from the miracles in the Early Church.

Key Inquiry Question:

- What lessons do we learn from the miracles performed in the Early Church?

Learning Resources:

- Top Scholar CRE pg 110-111

- Digital resources (video clips)

- Lesson notes

Organisation of Learning:

Introduction (5 minutes):

- Review the previous lesson by asking students to share what they remember. This promotes recall and sets the stage for new learning.

- Guide learners to read and discuss key concepts from the learning resources, particularly focusing on the miracles of the Early Church.

Lesson Development (30 minutes):

Step 1: Group Formation and Video Clips

- Divide learners into small groups (4-5 students each).

- Instruct them to use digital devices (tablets or laptops) to search for and watch short video clips about miracles in the Early Church.

Step 2: Scripture Reading

- Guide each group to read Acts 2:43, 3:1-16, and 5:12-16.

- Encourage them to take notes on specific miracles and the context in which they occurred.

Step 3: Discussion of Lessons

- Each group discusses among themselves the lessons they learned from the miracles.

- Prompt them to consider themes like faith, community, healing, and divine power.

Step 4: Presentation and Display

- Groups present their findings and insights to the class.

- Encourage them to write their lessons on chart paper or flashcards and display these on the classroom wall for all to see.

Conclusion (5 minutes):

- Summarize key points discussed during the lesson, highlighting the main lessons learned from the miraculous events.

- Conduct an interactive activity such as a quick quiz or discussion: "Which miracle impacted you the most and why?"

- Preview the upcoming topics, such as the role of faith in the Church today or other key events in the Early Church.

Extended Activities:

- Creative Project: Have students create a short skit or role-play based on one of the miracles they studied, to present in the next class.

- Reflective Journal: Encourage students to write a reflective journal entry about how the lessons from the Early Church's miracles can apply to their lives today.

1. Describe the story of Paul and Silas according to Acts 16:16-34.

2. Dramatize the story of Paul and Silas according to the biblical text.

3. Enjoy role-playing the story of Paul and Silas according to Acts 16:16-34.

Key Inquiry Question:

- What is the story of Paul and Silas about according to Acts 16:16-34?

Learning Resources:

- Top Scholar CRE, pages 111-112.

- Good News Bible.

Organisation of Learning:

Introduction (5 minutes):

- Review the previous lesson by asking students to share what they remember about the early Church.

- Guide learners to read and discuss relevant content from the learning resources, emphasizing the understanding of key concepts regarding Paul and Silas.

Lesson Development (30 minutes):

Step 1: Reading the Biblical Text

- In groups or pairs, have learners take turns reading Acts 16:16-34. Encourage them to pay attention to the actions and reactions of Paul and Silas.

- After reading, ask groups to discuss their initial thoughts and feelings about the events that took place.

Step 2: Discussion

- Each group shares their understanding of the story with the class.

- Facilitate a discussion on the key themes such as faith, perseverance, and divine intervention.

- Prompt learners with guiding questions such as: "What challenges did Paul and Silas face?" and "How did their faith influence the outcome?"

Step 3: Summarization

- Have learners summarize the story in their own words. Ask each group to present a brief summary to the class, ensuring all critical elements are included - the imprisonment, the earthquake, and the conversion of the jailer.

Step 4: Role-Playing

- Organize a role-play activity where learners act out the different parts of the story. Assign roles (Paul, Silas, the jailer, other prisoners, etc.) and allow groups to create brief skits.

- Encourage creativity while staying true to the biblical text.

Conclusion (5 minutes):

- Summarize the key points and learning objectives achieved during the lesson.

- Conduct a quick interactive activity, such as asking students to share what they would do in a similar situation as Paul and Silas.

- Preview upcoming topics related to the early Church and encourage students to think about other figures from the Bible who demonstrated strong faith.

Extended Activities:

- Creative Writing: Ask students to write a diary entry from the perspective of Paul or Silas, describing their thoughts, feelings, and prayers during their imprisonment.

- Art Project: Learners can create a storyboard or comic strip illustrating the key scenes of the story of Paul and Silas.

- Thematic Research: Encourage students to research other stories of faith under persecution in the Bible and present their findings to the class.

	GRADE 9	CRE			

Strand: The Church

Sub Strand: The Early Church

Specific Learning Outcomes:

- By the end of the lesson, the learner should be able to:

1. Outline the lessons learned from the story of Paul and Silas according to Acts 16:16-34.

2. Choose and sing a familiar worship song in class.

3. Enjoy singing the worship song.

Key Inquiry Question(s):

What lessons do we learn from the story of Paul and Silas?

Learning Resources:

- Top Scholar CRE pg 112-113
- Worship songs
- Lesson notes

Organisation of Learning:

Introduction (5 minutes):

- Begin with a brief review of the previous lesson, asking students to share their thoughts.
- Guide learners to read Acts 16:16-34 from the learning resources.
- Discuss key concepts and ensure understanding by asking questions about the text.

Lesson Development (30 minutes):

Step 1: Read and Discuss

- In pairs, have students take turns reading the passage.
- After reading, encourage them to discuss what events occurred in the story.

Step 2: Identify Lessons

- Students will outline the lessons learned from the story, focusing on themes such as faith, perseverance, and the power of praise.
- Each group shares one key lesson with the class.

Step 3: Connect to Today

- Facilitate a discussion about how these lessons can be applied to Christian life today. Ask students for real-life examples where they can be seen.

Step 4: Worship Song

- Have learners choose a familiar worship song.

- Discuss its meaning briefly. Then, practice the song together as a class.

Conclusion (5 minutes):

- Summarize the key points discussed regarding the lessons from Paul and Silas.

- Conduct an interactive activity where students can identify a lesson they feel is most relevant to their lives and share it with a partner.

- Preview the next session's topic of discussion, which will focus on the impact of the early church on the modern Christian community.

Extended Activities:

- Creative Reflection: Ask students to create a short skit or tableau that illustrates one of the lessons from Paul and Silas' story.

- Journaling Exercise: Encourage students to write a personal reflection in their journals about a time they faced a challenge and what lessons they learned from it, relating it back to Paul and Silas.

- Analysis Project: Assign students to research and present on different figures from the early church, comparing their challenges and the lessons learned with those of Paul and Silas.

WEEK 7: LESSON 2

SCHOOL	LEVEL	LEARNING AREA	DATE	TIME	ROLL
	GRADE 9	CRE			

Strand: The Church

Sub Strand: The Church

Specific Learning Outcomes:

- By the end of the lesson, learners should be able to:

1. Identify the values that help one to grow spiritually.

2. Write and keep a personal journal on church attendance and activities they undertake.

3. Express a desire to grow spiritually by attending church.

Key Inquiry Question(s):

- How does the church help us to grow spiritually?

Learning Resources:

- Top Scholar CRE pg 113

- Lesson notes

Organization of Learning:

Introduction (5 minutes):

- Begin with a brief review of the previous lesson's key points.

- Engage learners in a discussion about their previous experiences in church and what values they associate with spiritual growth.

- Introduce the learning resources and guide them to read relevant sections, setting a focus on the inquiry question.

Lesson Development (30 minutes):

Step 1: Identify Values

- In pairs, learners brainstorm a list of values that contribute to spiritual growth (e.g., faith, community, compassion, forgiveness).

- Groups share their lists with the class, and the teacher writes them on the board for reference.

Step 2: Discuss the Values

- As a class, discuss how each identified value aids spiritual growth. For example:

- Faith: encourages trust in a higher power.

- Community: fosters support and shared learning.

- Encourage students to provide personal examples or insights during the discussion for greater engagement.

Step 3: Personal Journaling

- Instruct students to begin writing in their personal journals. They should note their church attendance, activities they engage in, and reflections on how these experiences relate to the values discussed. Encourage them to write about at least two recent experiences.

Step 4: Share & Reflect

- Invite a few students to volunteer and share insights from their journals if they feel comfortable. This can help normalize the experience and foster a sense of community among students.

Conclusion (5 minutes):

- Summarize the key points discussed during the lesson, reiterating how values shape spiritual growth and the importance of church attendance.

- Conduct a quick interactive activity, such as a "Values Bingo," where learners call out values they discussed, reinforcing memory and understanding.

- Preview the next session, teasing topics related to different denominations or influential figures in the church that support spiritual growth.

Extended Activities:

- Personal Reflection Assignment: Encourage students to write a more detailed reflection on a church event they attended, focusing on what they learned and how they felt spiritually affected.

- Group Project: Assign students to research different churches in their community and report on how these places foster spiritual growth (services, youth programs, community outreach). This can enhance their understanding of diverse approaches to spirituality.

SCHOOL	LEVEL	LEARNING AREA	DATE	TIME	ROLL
	GRADE 9	CRE			

Strand: The Church

Sub Strand: The Gifts of the Holy Spirit

Specific Learning Outcomes

- By the end of the lesson, learners should be able to:

1. Identify the role of the Holy Spirit in the life of a Christian.

2. Discuss the teachings of Jesus Christ on the role of the Holy Spirit according to John 14:15-26, 16:5-15, and Acts 1:7-8.

3. Acknowledge the teachings of Jesus Christ on the role of the Holy Spirit.

Key Inquiry Question:

- What is the role of the Holy Spirit in the life of a Christian?

Learning Resources:

- Top Scholar CRE pg 115-116

- Good News Bible

- Lesson notes

Organisation of Learning:

Introduction (5 minutes):

- Review the previous lesson focused on the gifts that Christians receive through faith.

- Guide learners to read and discuss relevant content from the assigned resources, emphasizing the role of the Holy Spirit in Christian life.

Lesson Development (30 minutes):

Step 1: Group Brainstorming

- Learners will form small groups or pairs.

- Each group will brainstorm the role of the Holy Spirit in a Christian's life and jot down their ideas.

- Encourage them to think about real-life applications and experiences.

Step 2: Scriptural Reading

- Assign learners to read John 14:15-26, John 16:5-15, and Acts 1:7-8 in turns, ensuring each passage is understood.

- After each reading, allow a few moments for groups to discuss the scripture and how it relates to their previous brainstorming.

Step 3: Discussion on Teachings

- Each group will discuss the teachings of Jesus Christ concerning the Holy Spirit, identifying main themes and messages from the texts read.

- Groups should take notes as they prepare to share their findings.

Step 4: Presentations

- Groups will present their discussions on the role of the Holy Spirit, highlighting key teachings from the scriptures.

- Allow a few questions after each presentation to reinforce understanding.

Conclusion (5 minutes):

- Summarize the key points discussed regarding the role of the Holy Spirit in Christians' lives and the teachings of Jesus.

- Conduct a brief interactive activity like a quick Q&A or a “think-pair-share” around the main topics to reinforce learning.

- Prepare learners for the next session by previewing an upcoming topic or inviting them to consider questions such as, "How can we become more aware of the Holy Spirit's presence in our daily lives?"

Extended Activities:

- Journal Reflection: Have students maintain a journal where they reflect on their understanding of the role of the Holy Spirit in their lives. They could write weekly entries on personal experiences relating to the teachings discussed.

- Creative Project: Encourage students to create a visual representation (poster, digital slide, etc.) of the gifts of the Holy Spirit and how they can manifest in a Christian's life.

- Role Play: In pairs, learners could enact a short skit illustrating a problem faced by a Christian and how the Holy Spirit's guidance would help resolve it.

Strand: The Church

Sub Strand: The Gifts of the Holy Spirit

Specific Learning Outcomes:

- By the end of the lesson, learners should be able to:

1. Identify the nine gifts of the Holy Spirit according to 1st Corinthians 12:8-11.

2. Discuss the importance of the gifts of the Holy Spirit in the church today.

3. Appreciate the gifts of the Holy Spirit in the church today.

Key Inquiry Questions:

- Which gifts of the Holy Spirit do you know?

- What is the importance of the gifts of the Holy Spirit?

Learning Resources:

- Top Scholar CRE, pg 117-118
- Flashcards and posters
- Scissors and marker pens
- Lesson notes
- Good News Bible

Organisation of Learning:

Introduction (5 minutes):

- Begin by reviewing the previous lesson briefly to connect with students' prior knowledge.
- Pose the inquiry questions to stimulate discussion.
- Encourage students to share any gifts of the Holy Spirit they already know.

Lesson Development (30 minutes):

Step 1: Understanding the Gifts

- Divide learners into pairs or small groups.
- Distribute excerpts from 1st Corinthians 12:8-11 for each group to read in turns.
- Each group should discuss the text to identify and define the nine gifts of the Holy Spirit.

Step 2: Research and Definition

- Instruct students to use digital devices or textbooks to research the meaning of the gifts they identified.
- Each group will compile a brief explanation of each gift based on their findings.

Step 3: Creating Flashcards

- Using markers and scissors, groups will create flashcards that list each gift of the Holy Spirit along with its definition.

- Encourage creativity in the design of the flashcards to enhance engagement.

Step 4: Importance of the Gifts

- Once the flashcards are complete, facilitate a brainstorming session where each group discusses the importance of these gifts in today's church.

- Each group presents their findings, encouraging question and answer from peers to clarify ideas.

Conclusion (5 minutes):

- Summarize the key gifts of the Holy Spirit identified and their importance in modern church practice.

- Conduct a brief interactive quiz or game (like a Kahoot or simple Q&A) to reinforce the main topics discussed.

- Preview the next session's topic, encouraging learners to think about how the gifts can be applied to their lives.

Extended Activities:

- Reflective Journal: Students can write a journal entry about which gift of the Holy Spirit they feel resonated with them personally and how they could reflect that gift in their daily life.

- Group Service Project: Engage the class in a community service project that allows students to use one or more of the gifts, encouraging practical application of their learning.

Strand: The Church

Sub Strand: The Gifts of the Holy Spirit

Specific Learning Outcomes:

- By the end of the lesson, learners should be able to:

1. Identify the three categories of the gifts of the Holy Spirit.

2. Classify the gifts of the Holy Spirit according to the three categories on charts.

3. Enjoy classifying the gifts of the Holy Spirit.

Key Inquiry Question(s):

- Which categories are the gifts of the Holy Spirit classified into?

Learning Resources:

- Top Scholar CRE pg 119

- Charts and Marker Pens

- Digital resources (such as tablets/laptops)

- Lesson notes

Organisation of Learning:

Introduction (5 minutes):

- Review: Begin the class by briefly reviewing the previous lesson about the Holy Spirit. Ask students some quick questions to gauge their retention.

- Discussion: Guide learners to read key content from Top Scholar CRE, emphasizing the types of gifts given by the Holy Spirit.

Lesson Development (30 minutes):

Step 1: Introduction to the Gifts of the Holy Spirit

- Present the three categories of the gifts: Gifts of Knowledge, Gifts of Power, and Gifts of Divine Utterance.

- Engage learners in a discussion about the importance of these gifts in understanding the role of the Holy Spirit in the Church and in their lives.

Step 2: Group Research

- Organize students into small groups (3-4 members each).

- Instruct students to use their digital devices or print resources to research each category of gifts. They should collect examples and brief descriptions of the gifts within each category.

Step 3: Chart Creation

- Each group will create a chart or a PowerPoint presentation that categorizes the gifts they researched. Encourage creativity!

- Circulate the classroom to provide support and ensure that all groups are on the right track.

Step 4: Presentation and Classification

- Allow each group to present their charts or PowerPoint. Encourage them to explain why they classified the gifts as they did.

- Discuss any similarities or differences found between the groups' classifications.

Conclusion (5 minutes):

- Summary: Recap the key points of the lesson, reaffirming the three categories of the gifts of the Holy Spirit.

- Interactive Activity: To reinforce learning, conduct a quick hands-up quiz where you ask questions like “Which category does wisdom belong to?” and have learners respond.

- Preparation for Next Class: Briefly preview the next topic, such as “How do we use these gifts in our daily lives?” Encourage them to think about situations in which they might see these gifts in action.

Extended Activities:

- Personal Reflection Assignment: Ask students to write a short essay about which gift of the Holy Spirit resonates most with them and how they see it manifesting in their lives or communities.

- Research Project: Assign students to choose one gift of the Holy Spirit, research its biblical examples, and prepare a presentation on how it has been demonstrated throughout Church history.

- Service Activity: Encourage students to volunteer for a community service project, identifying how they can use their personal gifts (inspired by the Holy Spirit) in service to others.

WEEK 9: LESSON 2

SCHOOL	LEVEL	LEARNING AREA	DATE	TIME	ROLL
	GRADE 9	CRE			

Strand: The Church

Sub Strand: The Gifts of the Holy Spirit

Specific Learning Outcomes:

- By the end of the lesson, learners should be able to:

1. State the meaning of ungodly cults, idol worship, religious extremism, devil worship, and false religion.

2. Use digital or print resources to find out the characteristics of cults, idol worship, religious extremism, and devil worship.

3. Utilize discerning gifts to avoid joining ungodly cults/idol worship/religious extremism.

Key Inquiry Question(s):

- Why are discerning gifts important in the life of an individual?

Learning Resources:

- Top Scholar CRE, pages 119-122

- Digital resources

- Lesson notes

Organisation of Learning:

Introduction (5 minutes):

- Review the key concepts from the previous lesson, asking students to recall important terms and ideas discussed.

- Guide learners to read and discuss the relevant content from the learning resources, emphasizing the definitions of ungodly cults, idol worship, religious extremism, devil worship, and false religion.

Lesson Development (30 minutes):

Step 1: Explanation of Discerning Gifts

- Activity: Pair Discussion

Students will pair up and discuss what they think 'discerning gifts' means. Each pair will share their thoughts with the class.

Step 2: Research Phase

- Activity: Digital/Textbook Research

Students will use digital resources or textbooks to find definitions of ungodly cults, idol worship, religious extremism, devil worship, and false religion. Each student will take notes.

Step 3: Group Characteristics Identification

- Activity: Group Work

In small groups, students will compile the characteristics of cults, idol worship, religious extremism, and devil worship based on their research. Each group will create a chart or list on poster paper for presentation.

Step 4: Discussion and Sharing

- Activity: Class Discussion

Groups will present their findings to the class. After each presentation, encourage questions and discussions to clarify any misconceptions and reinforce understanding.

Conclusion (5 minutes):

- Summarize key points covered during the lesson, reiterating the definitions and characteristics of the identified terms and the importance of discerning gifts.

- Conduct a brief interactive activity, such as a quiz or a group brainstorm on characteristics of true religion versus cult practices, to reinforce learning.

- Prepare learners for the next session by previewing upcoming topics related to leadership in the church or the importance of community in faith.

Extended Activities:

1. Research Paper:

Assign students to choose one of the concepts discussed (e.g., false religion) and research its historical context within Christianity. They can present their findings in a short paper or presentation.

2. Role-Playing Activity:

In groups, students can role-play scenarios in which they must discern between true beliefs and misleading information, applying their understanding of discerning gifts effectively.

3. Create a Handbook:

Students can work on creating a “Discerning Gifts Handbook” that outlines the characteristics to look for when assessing a religious group or movement. They can include real-world examples along with scriptural references.

Strand: The Church

Sub-Strand: The Gifts of the Holy Spirit

Specific Learning Outcomes:

- By the end of the lesson, learners should be able to:

1. Identify ways in which the Word of God helps us discern and identify cults, religious extremism, and devil worship.

2. Discuss how we can utilize the Word of God to discern and avoid cults, religious extremism, and devil worship.

3. Appreciate the Word of God in helping us to discern and avoid cults, religious extremism, and devil worship.

Key Inquiry Question(s):

- How does the Word of God help us to discern and avoid cults, religious extremism, and devil worship?

Learning Resources:

- Good News Bible

- Top Scholar CRE (pg 122-123)

- Lesson notes

Organisation of Learning:

Introduction (5 minutes):

- Review the previous lesson on the Gifts of the Holy Spirit, focusing on the importance of these gifts in guiding our lives.

- Guide learners to read and discuss relevant content from their learning resources, underscoring the significance of understanding how the Word of God aids discernment.

Lesson Development (30 minutes):

Step 1: Scripture Reading

- Learners are divided into pairs or small groups. Each group takes one biblical passage: 1 Timothy 4:1, Matthew 7:15-20, 2 Peter 2:1, Galatians 5:19-23, or 1 Corinthians 12:2-3,10.

- As a group, they read their assigned passage and discuss its meaning.

Step 2: Class Discussion

- Each group presents their findings, emphasizing the key teachings regarding cults, religious extremism, and devil worship.

- Focus on the characteristics outlined in the scriptures and how they can identify harmful beliefs or practices.

Step 3: Application of Scripture

- Discuss as a class how these biblical teachings can be applied in their daily lives.

- Questions to consider: How can we use these teachings to respond to situations involving cults or extremism?

Step 4: Reflection

- Learners individually write a short reflection on how the scriptures can guide them in discerning false teachings from the true teachings of Christianity.

- Share a few reflections with the class.

Conclusion (5 minutes):

- Summarize key points from the lesson highlighting how the Word of God is essential in discerning truth.

- Conduct a brief interactive activity, such as a true or false quiz on the content learned, to reinforce main topics.

- Preview the upcoming topic, which will cover how to strengthen faith and community against the influence of negative beliefs.

Extended Activities:

- Group Project: Create a presentation on a real-world example of cults or extremism and discuss how one could have used the teachings from the Bible to avoid or confront these situations.

- Reflective Journal: Maintain a journal for a week where learners can write down instances where they used biblical teachings to guide decisions and discern the truth.

	GRADE 9	CRE			

Strand: The Church

Sub Strand: The Gifts of the Holy Spirit

Specific Learning Outcomes:

- By the end of the lesson, students should be able to:

1. Identify values that guide individuals to avoid being misled by false teachings, false doctrines, and cults.

2. Write a prayer requesting guidance from the Holy Spirit and the ability to discern false teachings and doctrines.

3. Express a desire to be guided by the Holy Spirit in their daily lives.

Key Inquiry Questions:

- Why are prayers important to an individual?

- What values can help one avoid being misled by false teachings, false doctrines, and cults?

Learning Resources:

- Top Scholar CRE, pg 123

- Lesson notes

Organisation of learning:

Introduction (5 minutes):

- Begin the lesson by reviewing the previous topic briefly. Ask the students to share one key point they remember.

- Introduce the day's theme by guiding learners to read and discuss key concepts from the provided materials. Highlight the importance of discernment and values in one's faith.

Lesson Development (30 minutes):

Step 1: Discussion on Values

- In pairs, learners discuss key values that can help avoid being misled by false teachings. Examples to include: discernment, wisdom, understanding, faithfulness, and integrity.

- Groups will share their thoughts with the class, and the teacher will list the values on the board.

Step 2: Group Prayer Writing

- Each group is tasked with writing a prayer asking for the Holy Spirit’s guidance. Encourage creativity and personal expression.

- Provide a structure for the prayer, such as starting with praise, acknowledging the need for guidance, and ending with a personal request.

Step 3: Value Explanation

- Each group chooses one value discussed earlier and explains how it helps a person avoid being misled.

- Groups will present their explanations to the class, promoting engagement and discussion.

Step 4: Class Reflection

- Conduct a class-wide reflection where students can share their feelings about prayer and guidance from the Holy Spirit.

- Ask students to consider how they can apply these values in their everyday lives.

Conclusion (5 minutes):

- Summarize the main points covered in the lesson, reinforcing the significance of the values discussed and the power of prayer.

- Conduct a quick interactive activity, like a think-pair-share where students share their reflections on why prayers are important.

- Preview the next session, which will delve deeper into how the Holy Spirit guides us in different aspects of life. Prompt students to think about personal experiences related to guidance and decision-making.

Extended Activities:

- Prayer Journal: Encourage students to maintain a prayer journal for one week where they write daily prayers asking for guidance and reflect on how they feel led by the Holy Spirit.

- Research Task: Assign students to research a biblical character known for discernment (like Solomon) and present how their values helped them navigate challenges.

- Role-Play: In groups, students create short skits demonstrating a scenario where discernment and prayer lead to wise decisions vs. a situation where ignoring these leads to being misled.

Strand: The Church

Sub Strand: The Gifts of the Holy Spirit

Specific Learning Outcomes:

-By the end of the lesson, learners should be able to:

1.Attempt questions on the sub-strand related to The Gifts of the Holy Spirit.

Key Inquiry Question(s):

- What are the different gifts of the Holy Spirit?
- How do the gifts of the Holy Spirit impact our daily lives and community?
- In what ways can we cultivate these gifts within ourselves and in others?

Learning Resources:

- Top Scholar CRE (pg 125)
- Assessment books

Organisation of Learning:

Introduction (5 minutes):

- Review the previous lesson: Begin with a brief recap of what was covered in the last session, focusing on general themes related to the Church and its role in the community.

- Guide learners to read and discuss relevant content from the learning resources focusing on The Gifts of the Holy Spirit. Encourage them to share any prior knowledge or experiences related to this topic.

Lesson Development (30 minutes):

Step 1: Introduction to the Gifts of the Holy Spirit

- Briefly explain what the Gifts of the Holy Spirit are (Wisdom, Understanding, Counsel, Fortitude, Knowledge, Piety, and Fear of the Lord).

- Discuss the importance of each gift and how they can be evident in everyday life.

Step 2: Group Discussion

- Divide learners into small groups. Each group will select 2 gifts of the Holy Spirit to discuss.

- Ask groups to come up with practical examples of how these gifts can manifest in real-life situations or scenarios.

Step 3: Individual Reflection and Question Answering

- After group discussions, provide learners with questions related to the Gifts of the Holy Spirit (from the assessment books).

- Allow learners time to write down their answers individually, encouraging them to reflect on their understanding and relate it to their own lives.

Step 4: Share and Compare Answers

- Bring the class back together and invite a few students to share their answers. Discuss similarities and differences in their understanding and interpretations.

- Facilitate a class discussion connecting their responses back to the key inquiry questions.

Conclusion (5 minutes):

- Summarize the key points covered in the lesson, reaffirming the significance of The Gifts of the Holy Spirit.

- Conduct an interactive activity: For example, ask each student to name one gift and how they can actively practice it in their daily lives.

- Preview the next session's topics, encouraging students to think about how they can further explore the implications of the Holy Spirit's gifts.

Extended Activities:

- Personal Reflection Journal: Encourage students to keep a journal for a week where they reflect daily on experiences that relate to the gifts of the Holy Spirit in their lives.

- Service Project: Organize a community service project where students can actively use one or more of the gifts of the Holy Spirit, discussing how their contributions can make a difference in their community.

- Research Assignment: Have students research a saint known for exemplifying the Gifts of the Holy Spirit and present their findings to the class.

Specific Learning Outcomes:

- By the end of the lesson, learners should be able to:

1. State the meaning of early marriage.
2. Use print or digital resources to find out the causes of early marriage today.
3. Acknowledge the causes of early marriage today.

Key Inquiry Question(s):

- What are the causes of early marriages today?

Learning Resources:

- Top Scholar CRE pg 126-127
- Digital resources (internet sources, articles)
- Lesson notes

Organisation of Learning:

Introduction (5 minutes):

- Begin by reviewing the previous lesson. Ask students to recall what they learned about relationships and responsibilities.

- Direct learners to read pages 126-127 in the Top Scholar CRE textbook. Highlight key concepts related to courtship and marriage, specifically focusing on early marriage. Facilitate a brief discussion on their initial thoughts about early marriage.

Lesson Development (30 minutes):

Step 1: Define Early Marriage

- In pairs, students brainstorm and write down their definitions of early marriage.

- Ask each pair to share their definition with the class. Compile the key ideas on the board to build a comprehensive definition.

Step 2: Group Buzz Session on Causes

- Organize a buzz session where small groups discuss potential causes of early marriage. Provide prompts such as cultural expectations, economic factors, or lack of education.

- After the discussion, groups share their causes with the class.

Step 3: Research Causes of Early Marriage

- Guide students on how to use digital resources (like internet articles or databases) and print materials to find specific information about the causes of early marriage today.

- Allow time for students to gather relevant information on their own or in their groups.

Step 4: Identify and Discuss Findings

- Ask students to share their findings with the class. Facilitate a discussion where learners can analyze and evaluate the different causes identified.

- Encourage students to think critically about how these causes relate to their own community and experiences.

Conclusion (5 minutes):

- Summarize the key points discussed during the lesson, clearly outlining the meaning of early marriage and its causes.

- Conduct a quick interactive activity, such as a word association game using terms related to early marriage and courtship.

- Preview the next session's topic, which will focus on the impacts of early marriages on individuals and society, inviting students to consider questions about personal values and societal norms.

Extended Activities:

- Research Project: Students can choose one cause of early marriage and create a poster or presentation that explores this issue in more depth, including statistics and potential solutions.

- Debate: Organize a debate on the pros and cons of early marriages from different perspectives, including cultural, economic, and individual viewpoints.

- Guest Speaker: Invite a local community leader or counselor to talk about their experiences and insights regarding early marriage, encouraging questions and an open dialogue.

1. Identify the consequences of early marriage in society.
2. Use digital or print resources to find out the consequences of early marriages in society.
3. Acknowledge the societal consequences of early marriages.

Key Inquiry Question:

- What are the consequences of early marriages to individuals?

Learning Resources:

- Top Scholar CRE pp. 127-128
- Lesson notes
- Posters and Flashcards
- Markers
- Digital resources (internet-enabled devices)

Organisation of Learning:

Introduction (5 minutes):

- Review Previous Lesson: Begin the class with a quick recap of the previous lesson, encouraging students to share what they remember.

- Discuss Key Concepts: Introduce the topic of early marriage and its relevance in contemporary society. Ask students what they think about the implications of early marriage.

Lesson Development (30 minutes):

Step 1: Brainstorming

- Activity: In small groups, encourage students to brainstorm and list the potential consequences of early marriage they can think of. Provide them with poster paper to jot down their ideas.

- Guided Questions: What challenges might young couples face? How does early marriage affect education and employment?

Step 2: Research

- Activity: Assign groups to use either digital resources (like tablets or laptops) or print resources (like textbooks) to research specific consequences of early marriages today. Suggest they look for statistics, personal stories, or expert opinions.

- Goal: Groups should gather at least three significant consequences of early marriage to share.

Step 3: Discussion

- Activity: Groups come together to discuss their findings. Each group should present one key consequence of early marriage and how it impacts individuals and society. Allow for questions and discussions after each presentation.

Step 4: Create Visual Presentations

- Activity: Using the information gathered, groups will either create a simple poster or a PowerPoint slide summarizing the consequences of early marriage. Encourage creativity in their presentations.

Conclusion (5 minutes):

- Summarize Key Points: Recap the consequences of early marriages discussed during the lesson.

- Interactive Activity: Conduct a quick quiz or a "think-pair-share" to reinforce key concepts. Ask each student to share one thing they learned about the topic.

- Preview of Next Session: Briefly introduce the next lesson, which will delve into solutions or alternatives to early marriage.

Extended Activities:

- Debate: Organize a class debate on the pros and cons of early marriages. This will help students critically analyze the issue from multiple perspectives.

- Interview Project: Have students interview a family member or community elder about their views and experiences surrounding early marriage, and present their findings to the class.

- Reflection Journal: Encourage students to maintain a reflection journal where they can write about their thoughts on courtship and marriage, including changes in society's views on early marriage.

1. State the meaning of morals, morality, and moral values.
2. Discuss the moral values needed to avoid early marriage.
3. Prepare flashcards showing the moral values needed to avoid early marriage.
4. Embrace the moral values needed to avoid early marriage.

Key Inquiry Question:

- What moral values are needed to avoid early marriage?

Learning Resources:

- Top Scholar CRE (pg 128-129)
- Lesson notes
- Flashcards
- Digital resources
- Dictionary

Organisation of Learning:

Introduction (5 minutes):

- Review: Begin with a brief recap of the previous lesson to set the context. Ask a few questions to gauge what students remember.

- Guided Reading: Ask learners to read a section from the Top Scholar CRE about morals and morality. Facilitate a class discussion focusing on defining key concepts.

Lesson Development (30 minutes):

Step 1: Understanding Key Terms

- Activity: In pairs, students will search for the definitions of morals, morality, and moral values using dictionaries and online resources.

- Share Out: Each pair will share their definitions with the class, and the teacher will guide students to a consensus definition.

Step 2: Values Brainstorming

- Brainstorming Session: Students will shift to small groups and brainstorm a list of moral values. Encourage students to think critically and reflect on which values could help avoid early marriage.

- Group Sharing: Groups will take turns sharing their lists, and the teacher will record the values on the board.

Step 3: Discussions on Early Marriage

- Facilitate Discussion: Lead a discussion on how each identified moral value contributes to avoiding early marriage. Encourage students to provide examples and personal insights.

- Reflection: Ask students to vote on which moral values they think are crucial and why.

Step 4: Flashcard Preparation

- Create Flashcards: Each group will create flashcards that illustrate a selected moral value using words or drawings.

- Presentation: Groups will briefly present their flashcards, explaining their chosen value and why it is significant.

Conclusion (5 minutes):

- Summary: Recap the definitions of morals, morality, and the identified moral values. Highlight the importance of these values in avoiding early marriage.

- Interactive Activity: Conduct a quick quiz or game related to the moral values discussed. For example, use a “moral values match-up” where students match definitions to the correct moral value.

- Preview: Provide a sneak peek into the next lesson, which will expand on the implications of these moral values in relationships and marriage.

Extended Activities:

- Journaling Assignment: Students could write a short reflection on one moral value they believe is essential and how they plan to apply it in their lives.

- Parent or Guardian Interview: Students can interview family members about their views on marriage values and report back to the class.

- Community Resource Research: Assign students to research local organizations that promote healthy relationships and values and prepare a brief presentation about their findings.

WEEK 11: LESSON 1

Strand: Christian Living Today

Sub Strand: Courtship and Marriage

Specific Learning Outcomes:

- By the end of the lesson, learners should be able to:

1. Identify life skills needed to avoid early marriages.

2. Prepare a PowerPoint presentation or charts on these life skills.

3. Apply the life skills learned to avoid early marriages.

Key Inquiry Question(s):

- What life skills do one require to avoid early marriages?

Learning Resources:

- Top Scholar CRE pg 130-131

- Digital resources

- Charts and Flashcards

- Lesson notes

Organisation of Learning:

Introduction (5 minutes):

- Review the previous lesson on courtship and marriage.

- Guide learners to read and discuss relevant content from the learning resources, emphasizing the understanding of key concepts related to life skills and early marriage.

Lesson Development (30 minutes):

Step 1: Understanding Life Skills

- In small groups, learners discuss and define "life skills".

- Share definitions with the class, emphasizing skills such as decision making, goal setting, and communication.

Step 2: Brainstorming Session

- Groups brainstorm and list specific life skills that can help avoid early marriages.

- Each group writes their ideas on a flip chart and presents to the class.

Step 3: Preparation of Presentations

- Learners use their brainstormed lists to prepare a PowerPoint presentation or create a chart, focusing on 3-5 key life skills that are crucial in the context of avoiding early marriage.

Step 4: Reflection on Scripture

- Read and write 1st Timothy 4:12 on flashcards.

- Class reflects on its meaning, discussing how it relates to applying life skills in the context of courtship and marriage.

Conclusion (5 minutes):

- Summarize key points discussed: the definition of life skills, specific skills to avoid early marriages, and reflection on 1st Timothy 4:12.

- Conduct a brief interactive activity where students can share one life skill they find most important.

- Prepare learners for the next session by previewing upcoming topics, such as responsibilities in marriage.

Extended Activities:

- Have students keep a weekly journal where they reflect on one life skill that they practiced and how it relates to their personal experiences with relationships and decision-making.

- Organize a friendly debate on the impact of early marriages in society and how life skills can influence young people's choices.

WEEK 11: LESSON 2

Strand: Christian Living Today

Sub Strand: Courtship and Marriage

Specific Learning Outcomes:

- By the end of the lesson, learners should be able to:

1. Define the term "courtship."

2. Use digital or print resources to identify qualities to consider when choosing a marriage partner.

3. Acknowledge and discuss the qualities considered when choosing a marriage partner.

Key Inquiry Questions:

- What is courtship?

- What qualities should one consider when choosing a marriage partner?

Learning Resources:

- Digital resources (e.g., internet access or tablets)

- Flashcards

- Top Scholar CRE pg 132-133

- Lesson notes

- Marker pens

Organisation of Learning:

Introduction (5 minutes):

- Review Previous Lesson: Briefly recap the previous lesson, focusing on family and relationship values.

- Guide Discussion: Lead students to read and discuss relevant sections from the learning resources, highlighting the significance of understanding courtship.

Lesson Development (30 minutes):

Step 1: Brainstorm

- In pairs, learners will brainstorm ideas about the meaning of courtship. Each pair will gather their thoughts on what courtship involves and why it is important.

- Time: 5 minutes

Step 2: Research

- Groups will utilize digital or print resources to search for a formal definition of courtship. They will write the definition on flashcards.

- Instruct groups to also note down descriptions or synonyms they find relevant.

- Time: 10 minutes

Step 3: Identify Qualities

- Still in their groups, learners will explore the qualities to consider when choosing a marriage partner. They can use the Top Scholar CRE material and other resources for guidance.

- Each group should aim to find at least 5 qualities and discuss their significance with each other.

- Time: 10 minutes

Step 4: Group Sharing

- Groups will share their findings with the class. Each group presents their definition of courtship and the qualities they discussed. Encourage a class discussion about these qualities and if they resonate with their values.

- Time: 5 minutes

Conclusion (5 minutes):

- Summarize Key Points: Recap the definitions learned and the key qualities identified when choosing a marriage partner.

- Interactive Activity: Conduct a brief quiz or game where students match qualities with definitions or analyze statements about courtship.

- Preview: Give a glimpse of the next lesson, asking students to think about what qualities they value in their relationships.

Extended Activities:

- Reflection Exercise: Ask students to write a short essay reflecting on the qualities they believe are most important in a marriage partner and why.

- Interview: Encourage students to interview a trusted adult or relative about their views on courtship and marriage, focusing on the qualities they considered in their own relationships.

- Role-Play: Organize role-play situations where students can practice discussing relationship qualities in a constructive way.

WEEK 11: LESSON 3

Strand: Christian Living Today

Sub Strand: Responsible Parenthood

Specific Learning Outcomes:

- By the end of the lesson, learners should be able to:

1. Outline the virtues that both marriage partners should uphold before marriage.

2. Use digital or print resources to search for the virtues that marriage partners should uphold before marriage.

3. Acknowledge and discuss the virtues that marriage partners should uphold before marriage.

Key Inquiry Question:

- What virtues should marriage partners uphold before marriage?

Learning Resources:

- Top Scholar CRE pg 133-134

- Digital resources

- Flashcards, scissors, marker pens

- Lesson notes

Organisation of Learning:

Introduction (5 minutes):

- Briefly review the previous lesson on the importance of relationships and values.

- Guide learners to read and discuss relevant content from the learning resources, particularly focusing on responsible parenthood and virtues necessary in marriage.

Lesson Development (30 minutes):

Step 1: Understanding the Biblical Context

- Activity: In pairs, learners read 2 Corinthians 6:14-15.

- Discussion: Ask learners to share what they think this verse implies about relationships and the importance of shared values.

Step 2: Identifying Virtues

- Activity: Using digital devices or print resources, learners research various virtues that marriage partners should uphold (e.g., love, respect, trust, honesty).

- Guidance: Provide a list of suggested websites or book excerpts for easier access.

Step 3: Discussing Findings

- Activity: Each pair discusses their findings and agrees on a list of key virtues.

- Output: Learners write their agreed-upon virtues on flashcards.

Step 4: Presentation

- Activity: Pairs present their flashcards to the class, explaining why they believe these virtues are important for marriage.

- Class Discussion: Engage the class in a conversation about the different perspectives shared and the significance of each virtue in strengthening relationships.

Conclusion (5 minutes):

- Summarize key points discussed during the lesson and the virtues that were identified.

- Conduct a brief interactive activity, such as a quick reflection where students write down one virtue they would like to uphold in their future relationships.

- Prepare students for the next session by previewing upcoming topics related to the practical application of these virtues in their lives.

Extended Activities:

- Activity 1: Write a reflective essay on how practicing specific virtues can influence relationships and family dynamics in the future.

- Activity 2: Create a vision board that represents the virtues students aspire to uphold in their future relationships, using images and words from magazines or digital resources.

SCHOOL	LEVEL	LEARNING AREA	DATE	TIME	ROLL
	GRADE 9	CRE			

Strand: Christian Living Today

Sub Strand: Courtship and Marriage

Specific Learning Outcomes:

- By the end of the lesson, learners should be able to:

1. Outline lessons learned about marriage from Hebrews 13:4 and Matthew 19:4-6.

2. Prepare flashcards showing lessons learned from the biblical texts.

3. Appreciate the lessons learned from both verses.

Key Inquiry Question:

- What lessons do you learn from Hebrews 13:4 and Matthew 19:4-6?

Learning Resources:

- Good News Bible

- Top Scholar CRE, pages 135-136

Organisation of Learning:

Introduction (5 minutes):

- Briefly review the previous lesson to connect prior knowledge to today's topic.

- Ask students to reflect on what they know about marriage and introduce the biblical texts as foundational to understanding Christian marriage.

Lesson Development (30 minutes):

Step 1: Reading the Scriptures

- In pairs, learners take turns reading Hebrews 13:4 and Matthew 19:4-6 aloud from the Good News Bible.

- Encourage students to consider the meaning of the verses and how they relate to the concept of marriage.

Step 2: Group Discussion

- In their groups, students discuss their interpretations and the key messages from each verse.

- Facilitate a discussion guiding learners to consider themes such as love, commitment, sanctity, and the role of God in marriage.

Step 3: Flashcard Creation

- Each group creates flashcards that highlight the main lessons learned from the verses (e.g., the importance of honor in marriage, the idea of two becoming one).

- Ensure that each flashcard includes the corresponding verse for reference.

Step 4: Presentation and Sharing

- Groups present their flashcards to the class, sharing insights and thoughts on their chosen lessons.

- Encourage questions and elaboration from classmates to deepen understanding.

Conclusion (5 minutes):

- Summarize the key lessons discussed, reinforcing how Hebrews 13:4 and Matthew 19:4-6 shape the Christian view of marriage.

- Conduct a quick interactive activity (e.g., a "thumbs up/thumbs down" for statements about marriage based on the lesson).

- Preview next session's topic, which will delve deeper into the responsibilities of partners within marriage.

Extended Activities:

- Reflective Journal Entry: Ask students to write a short journal entry reflecting on what they believe makes a strong Christian marriage based on the lessons learned today.

- Role Play: Students could work in pairs to create a short skit demonstrating a positive interaction between a married couple that reflects the teachings from the verses.

WEEK 12: LESSON 1

Strand: Christian Living Today

Sub Strand: Courtship and Marriage

Specific Learning Outcomes:

- By the end of the lesson, learners should be able to:

1. State the meaning of premarital counseling.

2. Use digital or print resources to discover the roles of the church in premarital counseling.

3. Appreciate the role of the church in premarital counseling.

Key Inquiry Question:

- What roles do the church play in premarital counseling?

Learning Resources:

- Top Scholar CRE (pg 136)

- Lesson notes

- Digital resources (computers or tablets)

- Resource person (if available)

Organisation of Learning:

Introduction (5 minutes):

- Begin by reviewing the previous lesson on relationships and marriage.

- Invite students to share their thoughts on what they discussed last time.

- Provide a brief overview of today's lesson, highlighting the importance of premarital counseling.

Lesson Development (30 minutes):

Step 1: Defining Premarital Counseling

- In pairs, ask students to discuss and write down their understanding of premarital counseling.

- Ask each pair to share their definitions.

- Present a formal definition and clarify any misconceptions.

Step 2: Researching the Roles of the Church

- Divide the students into small groups.

- Assign each group to use digital or print resources to research specific roles of the church in premarital counseling (e.g., guidance, support, preparation).

- Encourage the groups to identify at least three roles and prepare to share them with the class.

Step 3: Group Discussion

- Each group presents their findings to the class.

- Facilitate a class discussion on the importance and implications of these roles.

- Encourage students to think critically about how these roles can affect couples preparing for marriage.

Step 4: Reflection

- Have students individually write a reflection on what they learned about the role of the church in their own lives or future relationships.

- Encourage them to think about how they might use this knowledge in preparation for marriage.

Conclusion (5 minutes):

- Summarize the key points discussed in the lesson, reinforcing the meaning and importance of premarital counseling and the church's role.

- Conduct a brief interactive quiz using questions about the day's learning to reinforce the topics discussed.

- Preview the next session's topic on types of relationships and their relevance to courtship and marriage, encouraging students to think about the relationships in their own lives.

Extended Activities:

- Interview Exercise: Have students interview a trusted adult or family member about their experiences with premarital counseling and the role the church played in their relationship.

- Research Project: Ask students to create a poster or presentation on how different faith communities approach premarital counseling.

- Role Play: In small groups, students can role-play scenarios in which premarital counseling is taking place and illustrate the interaction between the couple and the counselor.

Strand: Christian Living Today

Sub Strand: Courtship and Marriage

Specific Learning Outcomes:

- By the end of the lesson, learners should be able to:

1. Debate on the motion "Courtship is important before marriage."

2. Enjoy debating on the motion.

Key Inquiry Question(s):

- What lessons did you learn from the debate?

Learning Resources:

- Top Scholar CRE pg 137.

- Digital resources (videos, articles on courtship and marriage).

Organisation of Learning:

Introduction (5 minutes):

- Review the previous lesson, focusing on the importance of relationships in Christian doctrine.

- Guide learners to read and discuss relevant content from the learning resources, emphasizing the understanding of the key concepts about courtship and marriage.

Lesson Development (30 minutes):

Step 1: Form Teams

- Divide the class into two teams: proposers (supporting the motion) and opposers (against the motion).

- Explain the roles in the debate and the importance of respectful dialogue.

Step 2: Prepare Arguments

- Allow both teams time to discuss and prepare their arguments.

- Encourage each team to think critically about their stance and to consider points such as emotional readiness, societal norms, and historical perspectives on courtship.

Step 3: Select Roles

- Choose a speaker for each team and a classmate to moderate the debate.

- Assign secretaries to each team who will take note of points made during the debate.

Step 4: Conduct the Debate

- Begin the debate with opening statements from each team.

- Allow for counterarguments, rebuttals, and encourage questions from the class.

Conclusion (5 minutes):

- Summarize key points made during the debate and discuss the learning objectives achieved.

- Conduct a brief interactive activity (e.g., a vote on the motion, with learners explaining their choice) to reinforce the main topics discussed.

- Preview the next session's topics or questions, potentially introducing themes such as the impact of culture on courtship practices.

Extended Activities:

- Reflection Journal - Have students write a reflection on what they learned from the debate and how it may influence their views on courtship and marriage.

- Group Project - In groups, create a presentation exploring different cultural practices related to courtship and marriage.

- Role-Play - Organize a role-play activity where students simulate different courtship scenarios, discussing the appropriateness and implications of actions taken.

Strand: Christian Living Today

Sub Strand: Courtship and Marriage

Specific Learning Outcomes:

- By the end of the lesson, learners should be able to:

1.Attempt assessment questions on the sub-strand: Courtship and Marriage.

Key Inquiry Questions:

- What are the values and principles that guide courtship in a Christian context?

- How does the concept of marriage differ in Christian teachings compared to other cultural perspectives?

- What role do families and communities play in courtship and marriage?

Learning Resources:

- Top Scholar CRE Assessment books

Organisation of Learning:

Introduction (5 minutes):

- Begin with a brief recap of the previous lesson to activate prior knowledge.

- Introduce the topic of courtship and marriage. Engage the learners by asking what they understand by these terms.

- Guide learners to read relevant content from their learning resources, prompting them to focus on key concepts related to courtship and marriage.

Lesson Development (30 minutes):

Step 1: Understanding Courtship

- Discuss the definition and purpose of courtship from a Christian perspective.

- Learners will read a section from the Top Scholar CRE book that explains the biblical foundations of courtship.

- Prompt learners with questions such as: "What are some qualities to look for in a partner?"

Step 2: The Meaning of Marriage

- Explain the significance of marriage in Christian teachings, including the covenant concept.

- In groups, learners will create a mind map that shows the characteristics of a Christian marriage, referencing their notes and the textbook.

Step 3: The Role of Families and Communities

- Discuss how families and communities influence courtship and marriage practices.

- As a class, brainstorm examples of community involvement in courtship and marriage, listing them on the board.

Step 4: Collaborative Question Answering

- Assign specific assessment questions regarding courtship and marriage from the assessment book.

- Learners will work in pairs to discuss and formulate their answers, fostering collaboration and communication.

Conclusion (5 minutes):

- Summarize the key points discussed during the lesson, reiterating the characteristics of courtship and marriage.

- Conduct a brief interactive activity, such as a quick quiz or a "think-pair-share" where learners express one new insight gained from the lesson.

- Prepare learners for the next session by previewing topics related to building strong relationships and analyzing modern challenges in courtship.

Extended Activities:

- Reflective Journaling: Have students write a reflective journal entry on what they learned about the differences between courtship and dating in the modern context.

- Role Play: In groups, students can role-play different scenarios of courtship, focusing on how to uphold Christian values in various situations.

- Research Assignment: Ask students to research a cultural practice of marriage different from their own and present on how it aligns or differs from Christian teachings.

Specific Learning Outcomes:

- By the end of the lesson, learners should be able to:

1. State the importance of courtship in society.

2. Use digital or print resources to find out the importance of courtship in society.

3. Acknowledge the importance of courtship in society.

Key Inquiry Question(s):

- Why is courtship important before marriage?

Learning Resources:

- Top Scholar CRE pg 135, Lesson notes, Digital resources (e.g., articles, websites)

Organisation of Learning:

Introduction (5 minutes):

- Review: Briefly revisit the previous lesson focusing on the concepts related to marriage and relationships.

- Discussion: Invite learners to share their understanding of courtship, introducing terms relevant to this lesson. Utilize a few key points from the provided resources to set the stage.

Lesson Development (30 minutes):

Step 1: Brainstorming Ideas

- Group Activity: Stratify the class into small groups or pairs. Ask them to brainstorm the personal and societal values of courtship.

- Guiding Questions: What do you think courtship involves? Why do you think it is necessary before marriage?

Step 2: Research

- Resource Utilization: Assign each group either a digital or a print resource. Instruct them to search for definitions and discussions on the importance of courtship in society.

- Focus: Encourage them to find specific examples or case studies to support their findings.

Step 3: Discussion

- Share Findings: Each group presents their findings on the importance of courtship. Encourage them to explain why they think courtship is essential to individuals and society overall.

- Facilitate Conversation: After each presentation, invite questions from their peers and interject insightful comments to broaden perspectives.

Step 4: Consolidate Ideas

- Class Collaboration: As a collective, list down major themes and points shared by all groups on the board. Discuss how these insights relate to the Christian perspective on courtship and marriage.

Conclusion (5 minutes):

- Summarize Key Points: Highlight the main ideas covered throughout the lesson.

- Interactive Activity: Conduct a quick “think-pair-share” where students reflect on what aspect of courtship they find most valuable, discussing it briefly with a peer.

- Preview: Introduce the next topic concerning marriage and relationships, encouraging students to think about how their understanding of courtship may influence future discussions.

Extended Activities:

- Reflection Journal: Ask students to write a reflection on their perspectives about courtship based on the lesson and their findings. Prompt them with questions regarding their own values and beliefs.

- Role-Playing: In pairs, have students role-play a courtship scenario that demonstrates good communication and respect. They can present their scenarios to the class and discuss the behavior exhibited.

- Research Assignment: Assign students to explore cultural practices surrounding courtship in different societies and present their findings in the next class.
